Canterbury 7892

Senator Maynard, from the committee of conference on matters of disagreement between the two houses, as to

Eng. Senate Bill No. 317, Authorizing three or more adjacent counties form multicounty trail network authority.

Submitted the following report, which was received:

Your committee of conference on the disagreeing votes of the two houses as to the amendment of the House to Engrossed Committee Substitute for Committee Substitute for Senate Bill 317 having met, after full and free conference, have agreed to recommend and do recommend to their respective houses, as follows:

That both houses recede from their respective positions as to the amendment of the Senate, striking out everything after the enacting clause, and agree to the same as follows:

ARTICLE 17. MULTICOUNTY TRAIL NETWORK AUTHORITIES.

§20-17-1. Legislative findings.

1 The West Virginia Legislature finds that outdoor recreation is an increasingly vital part of
2 the state's economy and that outdoor recreation participants spend billions of dollars annually in
3 the state and support a significant number of local jobs.

4 The Legislature further finds that well-managed areas for trail-oriented recreation in the
5 state will increase outdoor recreational tourism, increasing revenue to the state and creating more
6 jobs for West Virginia citizens.

7 The Legislature further finds that, with the cooperation of private landowners, there is an
8 opportunity to provide citizens and recreational tourists with greater access to trail-oriented
9 recreation by incorporating private property into recreational trail systems and areas throughout

10 West Virginia to provide significant economic and recreational benefits to communities in the
11 state.

12 The Legislature further finds that, under an appropriate contractual and management
13 scheme, well-managed trail systems may exist on private property without diminishing the
14 landowner's interest, control, or profitability in the land and without increasing the landowner's
15 exposure to liability.

16 The Legislature further finds that creating and empowering multicounty trail network
17 authorities, that can work with the landowners, county officials, community leaders, state and
18 federal government agencies, recreational user groups, and other interested parties to expand
19 trail systems will greatly assist in improving and linking recreational trail systems.

20 The Legislature further finds that it is in the best interests of the state to encourage private
21 landowners to make land available for public use, through multicounty trail network authorities,
22 for recreational purposes by limiting landowner liability for injury to persons entering thereon, by
23 limiting landowner liability for injury to the property of persons entering thereon, and by limiting
24 landowner liability to persons who may be injured or otherwise damaged by the acts or omissions
25 of persons entering thereon.

3 authority. An authority established pursuant to this section is a public corporation and a joint

16 the merger takes place. Thereafter, the authority will fill any vacancies and appoint board
17 members as required by §20-17-4 of this code. The board of the newly created authority shall
18 adopt appropriate procedures and bylaws to ensure that the newly created authority complies
19 with all requirements of this article.

§20-17-4. Board; quorum; executive director; expenses; application of state Freedom of Information Act.

1 (a) The board is the governing body of an authority and the board shall exercise all the

3 shall appoint two members to the board, as follows:

4 (1) Each participating county shall appoint one member who represents and is associated

12 all subsequent appointments shall be for a four-year term.

13 (3) Any appointed member whose term has expired shall serve until his or her successor

34 begins on July 1 and ends on the 30th day of the following June.

35 (g) The board shall appoint an executive director to act as its chief executive officer, to

43 account of all planned and proposed revenue and expenditures for the authority for the upcoming
44 fiscal year, including a detailed list of employees by title, salary, cost of projected benefits, and
45 total compensation. Before August 15 of each year, the executive director shall provide to the

46 board and the county commission for each participating county a detailed list of actual
47 expenditures and revenue, by account and recipient name, for the previous fiscal year and a copy
48 of the approved budget for the current fiscal year.

49 (h) All costs incidental to the administration of the authority, including office expenses,

51 issued by the board from funds accruing to the authority.

53 be payable solely from funds that have accrued to the authority pursuant to this article. An
54 authority may not incur liability or an obligation above the amount of funds that have accrued to
55 the authority pursuant to this article.

57 the West Virginia Freedom of Information Act, as provided in §29B-1-1 et seq. of this code.

§20-17-5. Financial review and oversight.

1 (a) An authority shall contract for and obtain an annual financial audit to be conducted by
2 a private accounting firm in compliance with generally accepted government auditing standards.
3 When complete, the audit shall be transmitted to the board, the president of the county
4 commission of each participating county, and the Legislative Auditor. The cost of the audit shall
5 be paid by the authority.

6 (b) If an authority receives any funds from the Legislature by appropriation or grant, the
7 Legislative Auditor shall have the power and authority to examine the revenues, expenditures,
8 and performance of the authority, and, for these purposes, shall have the power to inspect the
9 properties, equipment, and facilities of the authority and to request, inspect, and obtain copies of
10 any records of the authority. For each fiscal year in which the authority receives any funds from
11 the Legislature by appropriation or grant, the executive director shall provide to the Legislative

13 and recipient name for the previous fiscal year within 45 days of the close of that fiscal year.

37 authority, which may be issued in such principal amounts as necessary to provide funds for any
38 purpose under this article, including:

39 (A) The payment, funding, or refunding of the principal of, interest on, or redemption
40 premiums on notes issued by it, whether the notes or interest to be funded or refunded have or

42 (B) The establishment or increase of reserves to secure or to pay notes, or the interest on
43 the notes, and all other costs or expenses of the authority incident to and necessary or convenient
44 to carry out its corporate purposes and powers. Notes may be additionally secured by a pledge
45 of any revenues, funds, assets, or moneys of the authority from any source;

46 (16) To issue renewal notes, except that no renewal notes may be issued to mature more

63 recreational area and to reimburse the Division of Natural Resources for its costs therefor;

64 (22) To exercise all power and authority provided in this article necessary and convenient

77 (26) To assess and collect a reasonable fee from those persons who use the trails, parking

78 facilities, visitor centers, or other facilities which are part of the recreational area and to retain and
79 utilize that revenue for any purposes consistent with this article: *Provided*, That such fee does not
80 constitute a “charge” or a “fee” within the meaning and for the purposes of §19-25-5 of this code:
81 *Provided, however*, That the authority may not charge a fee for any user to enter or go upon any
82 trail that is already open for use by the public without fee as of January 1, 2019:

83 (27) To enter into contracts or other appropriate legal arrangements with landowners

85 (28) To directly operate and manage recreation activities and facilities within the
86 recreational area;

87 (29) To promulgate and publish rules governing the use of the recreational area and the

94 carry out the purposes of this article.

§20-17-7. Requirements for trail users and prohibited acts; criminal penalties.

1 (a) A person may not enter or remain upon a recreational area without a valid,
2 nontransferable user permit issued by the appropriate authority and properly displayed, except

12 while within the recreational area.

13 (e) A person may not ignite or maintain any fire within the recreational area except in a
14 designated camp site.

16 is authorized to operate a motor vehicle in the area to perform maintenance services or
17 emergency response.

18 (g) A person who violates any provision of this section is guilty of a misdemeanor and,
19 upon conviction, shall be fined not more than \$100. Prosecution or conviction for the
20 misdemeanor described in this subsection shall not prevent or disqualify any other civil or criminal
21 remedies for the conduct prohibited by this section.

§20-17-8. Limiting liability.

1 (a) An owner of land used by an authority owes no duty of care to keep his or her land
2 safe for entry or use by others for recreational purposes, or to give any warning of a dangerous
3 or hazardous condition, use, structure, activity, or wild animal on such land to persons entering
4 or going upon the land for such purposes. The provisions of this section apply regardless of
5 whether the person entering or going upon the leased land is permitted to enter the land or is a
6 trespasser.

7 (b) Unless otherwise agreed in writing, an owner of land who grants a lease, easement,
8 or license of land to an authority for recreational purposes does not, by giving a lease, easement
9 or license: (1) Extend any assurance to any person using the land that the land is safe for any
10 purpose; (2) confer upon those persons the legal status of a party to whom a duty of care is owed;
11 or (3) assume responsibility for or incur liability for any injury to person or property or death caused
12 by an act or omission of a person who enters upon the leased land. The provisions of this section

13 apply whether the person entering or going upon the leased land is permitted to enter the land or
14 is a trespasser.

15 (c) Nothing in this section limits in any way any liability which otherwise exists for
16 deliberate, willful, or malicious infliction of injury to persons or property: *Provided*, That nothing
17 herein limits in any way the obligation of a person entering upon or using the land of another for
18 recreational purposes to exercise due care in his or her use of the land and in his or her activities
19 thereon, so as to prevent the creation of hazards or the commission of waste by himself or herself.

§20-17-9. Purchasing and bidding procedures; criminal penalties.

1 (a) *Purchasing and bidding procedures; criminal penalties.* —

2 (1) Whenever an authority proposes to purchase or contract for commodities or services
3 reasonably anticipated to equal or exceed \$25,000 in cost, the purchase or contract shall be
4 based on competitive bidding. Where the purchase of particular commodities or services is
5 reasonably anticipated to be less than \$25,000, the executive director may, on behalf of the
6 authority, solicit bids or price quotes in any manner that the executive director deems appropriate
7 and the authority shall obtain its commodities or services by the lowest bid. In lieu of seeking bids
8 or quotes for commodities or services in this price range, the authority may purchase those
9 commodities and services pursuant to state prequalification agreements as provided in §5A-3-10e
10 of this code.

11 (2) Where the cost for the purchase of commodities or services is reasonably anticipated
12 to exceed \$25,000, the executive director shall solicit sealed bids for such commodities or
13 services: *Provided*, That the executive director may permit bids by electronic transmission to be
14 accepted in lieu of sealed bids. Bids shall be solicited by public notice. The notice shall be
15 published as a Class II legal advertisement in all participating counties in compliance with the
16 provisions of §59-3-1 *et seq.* of this code and by such other means as the executive director
17 deems appropriate. The notice shall state the general character of the work and general character
18 of the materials to be furnished, the place where plans and specifications therefor may be

19 examined, and the time and place for receiving bids. After all bids are received, the authority shall
20 enter into a written contract with the lowest responsible bidder; however, the authority may reject
21 any or all bids that fail to meet the specifications required by the authority or that exceed the
22 authority's budget estimation for those commodities or services. If the executive director
23 determines in writing that there is only one responsive and responsible bidder and that there has
24 been sufficient public notice to attract competitive bids, he or she may negotiate the price for a
25 noncompetitive award or the specifications for a noncompetitive award based solely on the
26 original purpose of the solicitation.

27 (3) For any contract that exceeds \$25,000 in total cost, the authority shall require the
28 vendors to post a bond, with form and surety to be approved by the authority, in an amount equal
29 to at least 50 percent of the contract price conditioned upon faithful performance and completion
30 of the contract.

31 (4) The bidding requirements specified in this section do not apply to any leases for real
32 property upon which the authority makes improvements for public access to the recreational area,
33 information distribution, and welcome centers. This exemption does not apply to leases for offices,
34 vehicle and heavy equipment storage, or administrative facilities.

35 (5) Any person who violates a provision of this subsection is guilty of a misdemeanor and,
36 upon conviction, shall be confined in jail not less than 10 days nor more than one year, or fined
37 not less than \$10 nor more than \$1,000, or both fined and confined.

38 (b) Conflicts of interest in contracts prohibited. —

39 An authority or any of its board members, officers, employees, or agents may not enter
40 into any contracts, agreements, or arrangements for purchases of services or commodities
41 violating the requirements of §6B-2-5 or §61-10-15 of this code.

42 (c) Civil remedies. —

43 The county commission of a participating county in an authority may challenge the validity
44 of any contract or purchase entered, solicited, or proposed by the authority in violation of this

45 section by seeking declaratory or injunctive relief in the circuit court of the county of the
46 challenging party. If the court finds by a preponderance of evidence that the provisions of those
47 sections have been violated, the court may declare the contract or purchase to be void and may
48 grant any injunctive relief necessary to correct the violations and protect the funds of the authority
49 as a joint development entity.

ARTICLE 17A. MOUNTAINEER TRAIL NETWORK RECREATION AUTHORITY.

§20-17A-1. Legislative findings; purpose.

1 The Legislature further finds that, with the cooperation of private landowners, there is an
2 opportunity to provide trail-oriented recreation facilities primarily on private property in the
3 mountainous terrain of the Potomac Highlands and north central West Virginia and that the
4 facilities will provide significant economic and recreational benefits to the state and to the
5 communities in the Potomac Highlands and north central West Virginia through increased tourism
6 in the same manner as whitewater rafting, snow skiing, and utility terrain motor vehicle riding
7 benefit the state and communities surrounding those activities.

8 The Legislature further finds that the creation and empowering of a joint development
9 entity to work with the landowners, county officials and community leaders, state and federal
10 government agencies, recreational user groups, and other interested parties to enable and
11 facilitate the implementation of the facilities will greatly assist in the realization of these potential
12 benefits.

13 The purpose of this article is to provide additional opportunities and regulatory
14 authorization for recreational trail networks and to provide for increased access to recreational
15 areas, including, but not limited to, creating a contiguous trail system that connects to the
16 Chesapeake and Ohio Canal Tow Path.

§20-17A-2. Creation of Mountaineer Trail Network Recreation Authority and establishment
of recreation area.

1 (a) There is hereby created the “Mountaineer Trail Network Recreation Authority”

2 consisting of representatives from the counties of Barbour, Grant, Harrison, Marion, Mineral,
3 Monongalia, Preston, Randolph, Taylor, and Tucker organized pursuant to the provisions of
4 §20-17-1 et seq. of this code. This authority is authorized to establish a Mountaineer Trail Network
5 Recreation Area within the jurisdictions of those counties and the authority shall be subject to the
6 powers, duties, immunities, and restrictions provided in §20-17-1 et seq. of this code. Visitors and
7 participants in recreational activities within the trail network shall, in similar respects, be subject
8 to the user requirements and prohibitions of §20-17-7 of this code.

9 (b) Notwithstanding subsection (a) of this section, an adjacent county may join the
10 Mountaineer Trail Network Recreation Authority pursuant to the procedures set forth in
11 §20-17-3(b) of this code.

12 (c) Notwithstanding subsection (a) of this section, the Mountaineer Trail Network
13 Recreation Authority may merge with another multicounty trail network authority, pursuant to the
14 procedures set forth in §20-17-3(c) of this code.

§20-17A-3. Recreational purposes.

1 The permitted recreational purposes for the Mountaineer Trail Network Recreation Area
2 include, but are not limited to, any one or any combination of the following noncommercial
3 recreational activities: Hunting, fishing, swimming, boating, camping, picnicking, hiking, bicycling,
4 mountain bicycling, running, cross-country running, nature study, winter sports and visiting,
